In 1983, Senior Games began with a vision for North Carolinians 50 years of age or better to be more active, to learn new skills, to renew old talents, to live better and healthier, and to have more FUN! Today, there are over 60,000 participants in 53 local games programs that serve all 100 counties across the state. This program is sanctioned by North Carolina Senior Games, Inc. and is sponsored statewide by the North Carolina Division of Aging and Adult Services.

The Johnston County Senior Games (JCSG) and SilverArts are celebrating their 38th year for fun and fitness as well as celebrating yourselves! Our program relies heavily on the generosity of the individuals and businesses in our community to sponsor our efforts. We would like to thank all of our donors and sponsors for their continued support of our local Senior Games program.

Local Games Are for Everyone!

Safety and sportsman like conduct are paramount. Johnston County Senior Games officials have the authority to disqualify, and/or remove anyone who exhibits inappropriate behavior or a condition of medical concern.

We request that every participant consult his/her doctor in regard to preparation for, and competition in, Senior Games or any similar activity. To promote total health and physical fitness, events of longer duration and lower intensity are strongly recommended. High-intensity types of activities are offered primarily for the conditioned, trained athlete.

Rules

All events will be conducted in accordance with the 2025 Edition of the North Carolina Senior Games Inc. Official Rule Book. Rules for all events are available at www.ncseniorgames.org or by contacting any of the local coordinating agencies.

Inclement Weather Plans

Plan for all types of weather! Please check with event managers for changes in schedules. JCSG reserves the right to change tournament format or postpone and/or cancel events in case of inclement weather. Schedule changes will be posted at the venue, JCSG Facebook page, or a participant can call 919-553-1550 for updates.

Medal/Ribbons

Each participant will receive a medal at the Kick-Off Celebration and Opening Ceremonies.

In athletic events, top finishers in each age group (male and female) will receive gold, silver, or bronze pins to attach to their medal. Pins will be awarded onsite after each day's events.

In SilverArts, top finishers in each sub-category will receive blue, red, or white ribbons. Athletes Information

Doubles Events

For events requiring a partner, all team members must be registered Johnston County Senior Games participants, as indicated on the Registration Form. JCSG does not assign partners.

Partners may play down to a younger age group, with the younger player's age determining the group. Each player can only compete in one age group per event. The deadline to change partners is the cancellation deadline; no changes can be made at the event.

Event Check-In

Participants must arrive at the event site 30 minutes before the event begins or your scheduled event time. When you arrive, please check in with the event manager. A photo ID is required. **Start time is forfeit time.**

Golf

Participants are required to supply their clubs and balls. Golfers may indicate those with whom they would prefer to be paired by emailing the local coordinator. Depending upon participation, golfers may be paired with others by age category. Pairings at the event start are final. Golfers may also be given a tee time instead of a "shotgun" start.

Online Partner Entry

The second partner to register can choose their partner with online entry. The first partner to register in a partnered event will not be able to indicate the other partner's name. After one partner registers for a partnered event, the next partner will be able to select the desired partner and the two will be linked.

State Finals Partners

Participants may substitute a partner if the qualifying partner from Local Games is unable to attend State Finals. The substitute must have qualified in that event to be eligible to participate in State Finals.
